

The Swiss Archdeaconry
Jubilee Pilgrimages 2005
 celebrating 25 years of the

**DIOCESE
 IN EUROPE**

Anglicans have worshipped on the European Continent for nearly 500 years, but in 1980, we got our own Church of England diocese: the **Diocese of Gibraltar in Europe**, the C of E's 44th. Our bishop, the Rt Revd Dr Geoffrey Rowell, has invited us to observe our 25th Jubilee with 'Pilgrimage' as our theme. The chaplaincies of the **Swiss Archdeaconry** have created a series of pilgrimages, featuring the historic sites and beautiful scenery of each chaplaincy area, to celebrate our **common faith journey**.
 Come & join us as we go on pilgrimage together!

 Down through the drought of March to pierce the root,

 And palmers long to seek the stranger strands
 Of far-off saints, hallowed in sundry lands." -- Geoffrey Chaucer*
